

International Scientific Conference Euro-Trans 2024

Programme

Monday, 16.09.2024 (Auditorium I – AI)

Registration of participants		8.30 - 9.30
D1 AI 1 Conference Opening – Official Statements		9.30 - 10.00
Prof. Piotr Wachowiak, PhD, HM Rector of the SGH	Speech	
Prof. Waldemar Tarczyński, PhD, HM Rector of the US		
Prof. Dariusz Tłoczyński, PhD, UG	Speech	
Prof. Joanna Wielgórska-Leszczyńska, PhD, Dean of Collegium of Management and Finance, SGH	Speech	
Prof. Janos Toth, Chair of the EPTS Executive Board	Speech	
Prof. Bogusław Liberadzki, PhD, SGH	Speech	
D1 AI 2 Speech by the Representative of the European Commission		10.00 - 10.10
Magda Kopczyńska, Director-General – Directorate-General for Mobility and Transport (DG MOVE)	Speech	
D1 AI 3 Introduction to the Conference topic		10.10 - 10.30
Prof. Wojciech Paprocki, PhD, SGH	Key speech	
D1 AI 4 Morning Plenary Session of the SGH: The economic credibility of the state (debate in Polish simultaneously translated into English)		10.30 - 11.30
Moderator: Prof. Wojciech Paprocki, PhD, SGH		
Prof. Dr. h.c. Jerzy Hausner, PhD	Introduction	
The importance of the state's economic credibility for the condition of transport infrastructure		In-depth session
Prof. Piotr Banaszyk, PhD, UEP		
Prof. Robert Tomanek, PhD, UE		
Q&A		
Coffee break		11.30 - 11.50

D1 AI 5 Session of the European Transport Congress: Global megaprojects for transport infrastructure		11.50 - 12.50
Moderator: Prof. Sönke Reise, PhD, Wismar University		
Daniel Hörcher, PhD, Imperial College London		
Prof. Przemysław Borkowski, PhD, UG		
Prof. Ueli Haefeli, University of Berne, Member of the Executive Board of EPTS		
Noémie Piaskowski, French Embassy in Warsaw, Department for sustainability and transport		
Prof. Adam Török, BME Budapest, Editor-in-Chief of European Transport Studies		
Q&A		
D1 AI 6 Session of the UG: Transport as a basic link in the value chain – ESG perspective		12.50 - 13.50
Moderator: Joanna Czerepko, PhD, UG		
Prof. Joanna Wielgórska-Leszczyńska, PhD, SGH		
Maciej Ziomek, E&Y Partner		
Piotr Gąska, PKO Leasing		
Q&A		
Lunch		13.50 - 14.40
D1 AI 7 Session of the European Transport Congress: The future of European railways		14.40 - 15.40
Moderator: Sebastian Belz, EPTS Foundation		
Bogoslav Skierniewski, PKP Cargo International		
Jon Worth, Europe's Rail		
Prof. Elmar Wilhelm Fürst, WU Vienna		
Prof. Laurent Guihéry, Université Cergy-Pontoise		
Nick Brooks, Secretary General of ALLRAIL		
Q&A		

D1 AI 8 Debate among business leaders: What is the future of the transport sector in Europe?		15.40 - 16.40
Moderator: Adam Rams, CEO of Delta Trans		
Marek Tarczyński, President of PISiL		
Jan Buczek, President of ZMPD		
Maciej Wroński, President of TLP		
Bartosz Baca, PSML		
Joanna Waliszewska, IKEA, PSML		
Q&A		
Coffee break		16.40 - 17.00
D1 AI 9 Importance of Horizon Europe funding for the development of technological cooperation between companies and research institutions in the area of smart and clean mobility (Partner: Łukasiewicz – Institute of Aviation, ILOT)		17.00 - 18.00
Moderator: Prof. Joanna Cygler, PhD, SGH		
Krzysztof Gulda, UWRC		
Adam Strzelecki, Senior Project Manager, EIT FOOD		
Bartosz Dziugiel, PhD, ILOT		
Justyna Choińska-Jackiewicz, Warsaw University of Technology		
Adriana Witkowska-Konieczny, Metropolis GZM		
Witold Witowski, PhD, ILOT		
Q&A		
Gala dinner, Villa Foksal restaurant, Foksal 3/5 str.		19.00

Tuesday, 17.09.2024 (Auditorium I – AI, Auditorium II – AII, rooms 1A/1BC)

D2 AI 2.1 Plenary session of the US: GIS as a mobility management tool	9.00 - 10.00		
Moderator: Zuzanna Kłos-Adamkiewicz, PhD, US			
Prof. Piotr Rosik, PhD, PAS			
Krzysztof Krawiec, PhD, PŚ			
Paulina Gajownik-Mućka, ESRI Polska			
The European Transport Congress: European Friedrich-List-Award 2024 Flag handover and award ceremony	10.00 - 10.15		
D2 AI 2.2 How to make the intermodal transport more popular? (Partner: PCC Intermodal)	10.15 - 11.15	Papers delivered to Euro-Trans 2024 (3 parallel sessions)	10.15 - 11.15
Dariusz Stefański, CEO of PCC Intermodal		Moderator: Prof. Tomasz Kwarciniński, PhD, US Challenges for mobility and logistics (room 1A)	
Janusz Kolonko, TZMO			
Radosław Sturski, Kellogg		Moderator: Agnieszka Szmelter-Jarosz, PhD, UG New commuting patterns (room 1B)	
Kamila Popiołek, BSH			
Wiktoria Lasowy, Sonko		Moderator: Adam Hozzman, PhD, SGH Urban mobility and logistics (room 2E)	
Klaudiusz Kwiatkowski, Reckitt			
Dominika Tymczuk, MCAA			
Urszula Miskurka, Head of Logistics Europe/ANZ, Reckitt			

D2 AI 2.3 Plenary session: Air transport and the natural environment. Demands, tools and reasonable prospects	11.15 - 12.15		
Moderators: Adam Hozzman, PhD, SGH Paweł Zagrajek, PhD, SGH			
Magdalena Jaworska-Maćkowiak, PANSA			
Michał Kozłowski, PhD, Civil Aviation Authority			
Filip Czernicki, PhD, Central Transport Hub			
Dariusz Kuś, Central Transport Hub			
Tomasz Szymczak, PhD, Warsaw Modlin Airport			
Prof. Marcin Liberadzki, PhD, SGH			
Robert Pindor, Logart			
Coffee break			12.15 - 12.45
D2 AI 2.4 How to achieve the desired modal split changes in freight transport? (in Polish)	12.45 - 13.45	D2 1A/1BC 22.4 Digital transformation of freight forwarding agents and brokers (in Polish)	12.45 - 13.45
Moderators: Prof. Juliusz Engelhardt, PhD Prof. Jana Pieriegud, PhD, SGH		Moderator: Prof. Wojciech Cellary, PhD	
Piotr Malepszak, Ministry of Infrastructure		Anna Krzyśko-Vasković, Northgate Logistics	
Krzysztof Niemiec, Track Tec		Arkadiusz Glinka, C.H. Robinson	
Adam Wielądek, PhD, SEiMTS		Adam Gałek, ROHLIG SUUS Logistics	

D2 AI 2.5 Passenger rail transport – success or challenge of increasing demand? (in Polish)	13.45 - 14.45	D2 All 22.5 Results of interdisciplinary research conducted by the Institute (IITiM) in collaboration with the EFC (in Polish)	13.45 - 14.45
Moderators: Prof. Piotr Niedzielski, PhD, US Prof. Michał Wolański, PhD, SGH		Moderator: Prof. Jana Pieriegud, PhD, SGH	
Jakub Majewski, PhD, PKP PLK		Prof. Wojciech Paprocki, PhD, SGH	
Janusz Malinowski, PKP Intercity		Prof. Maciej Szymczak, PhD, UEP	
Marcin Trela, Office of Rail Transport		Maciej Grabowski, PhD, CMS Foundation	
Wojciech Dinges, POLREGIO		Bartosz Mazur, PhD, Rybnik City Hall	
Lunch			14.45 - 15.45
D2 AI 2.6 What changes of the European road freight transport are to expect?	15.45 - 16.45	D2 All 22.6 Innovative financing instruments for the transformation process of transport and logistics companies. Challenges for corporate strategy management related to ESG transformation (in Polish)	15.45 - 16.45
Moderator: Prof. Peter Klaus, DBA		Moderators: Prof. Kamil Liberadzki, PhD, SGH Prof. Marcin Liberadzki, PhD, SGH	
Prof. Wojciech Paprocki, PhD, SGH		Prof. Bartosz Grucza, PhD, SGH	
Michał Wekiera, Polish Automotive Industry Association		Anna Grygiel-Tomaszewska, PhD, SGH	
		Katarzyna Niewińska, PhD, UW	
D2 AI 2.7 Plenary session: Conference summary	16.45 - 17.00		

Tuesday, 17.09.2024, Papers delivered to Euro-Trans 2024

Room 1A Challenges Moderator: Prof. Tomasz Kwarciński, PhD, US	Room 1B New commuting patterns Moderator: Agnieszka Szmelter-Jarosz, PhD, UG	Room 2E Urban mobility and logistics Moderator: Adam Hozzman, PhD, SGH
<p>Prof. Laurent Guihéry, Université Cergy-Pontoise</p> <p><i>What would be the agenda for the European Union's actions for the 2024-2029 term, particularly in transport?</i></p>	<p>Prof. Michał Suchanek, PhD, UG Agnieszka Szmelter-Jarosz, PhD, UG</p> <p><i>Design Thinking method in shaping transport equity in urban areas</i></p>	<p>Prof. Grzegorz Sierpiński, PhD, Silesian University of Technology, Marcin Kłos, PhD, Silesian University of Technology</p> <p><i>Support in the implementation of the 15-minute city idea by using travel planning tools</i></p>
<p>Olena Gorlova, PhD, SGH</p> <p><i>The impact of Russia-Ukraine war on grain supply chain reconfiguration</i></p>	<p>Mateusz Wójcik, Krakow University of Technology</p> <p><i>The potential use of Artificial Neural Networks for developing trip matrices: A case study of Commuting to work - Census 2021 dataset</i></p>	<p>Marcin Kłos, PhD, Silesian University of Technology, Prof. Grzegorz Sierpiński, PhD, Silesian University of Technology</p> <p><i>Method of evaluation of different types of POIs accessibility</i></p>
<p>Prof. Joanna Kizielewicz, PhD, Gdynia Maritime University</p> <p><i>Maritime Transport and the Natural Environment – Challenges for Seaports</i></p>	<p>Sebastian Knochel, University of Freiburg</p> <p><i>Car Sharing in Rural Areas - Challenges and Potentials for Managing Public Transportation at Local Government Level</i></p>	<p>Lars Tasche, Alexander Grahle, Technical University of Berlin</p> <p><i>Integrating Urban Mobility and Logistics: A Multifunctional Hub Approach</i></p>
<p>Katarzyna Skrzyszewska, PhD, Gdynia Maritime University</p> <p><i>Labor market challenges in the mobility sector (maritime transport)</i></p>	<p>Rafał Miśko, PhD, Wrocław University of Science and Technology</p> <p><i>Emotions about Public Transport in Internet Memes</i></p>	<p>Roland Frindik, NTH Norway, University of Karlsruhe, MARLO Consultants GmbH</p> <p><i>city logistics on rail – the LogIKTram concept</i></p>
	<p>Agnieszka Wilczyńska-Strawa, PhD, War Studies University</p> <p><i>Greenwashing in the aviation industry and Generation Z awareness of the phenomenon</i></p>
